Prayer led by Micah Bell

O Lord God, we gather here today before You, and at the call of the political leader of our nation, we come before You with prayer, Father, and supplications and even intercessions Lord, for our community here...for our state that has suffered the judgements of the water and yet the cleansing of what waters can do. We pray Lord God that out of this will come repentance of the people that have so suffered and been hit.

But Lord we come before You and thanking You that You preserved us. And that Lord, You've been merciful and long-suffering with us in our ways and our unbelief. We confess that we've not believed, Father, fully in Your love and care for us. We've not fully trusted You Lord. We've turned aside to other things that men provide. Lord, we've rebelled against You and Your word, oh God. But we come today, Lord, humbling ourselves saying, "Father, we repent. We turn away from that knowing full well that You will forgive us and cleanse us from all unrighteousness.

So, we stand here before You Today Lord, we pray for Euless. We pray for Hurst and Bedford and this Metroplex. O, Lord God, we know the need of repentance and we know that without a spirit of repentance...without help from on high it's not going to happen. So, we call for it Father. We also call upon You to show us, Lord, things to come...even as You said, the Holy Spirit...the Comforter...the Paraclete...the Helper would come and show us things to come...that He would help us...comfort us and guide us and teach us. Lead us into that truth, Lord, Your truth and nothing else. Oh Father, today, as we stand before You, here we are Lord to serve You. Let us not think, Lord God, that we need more power...we need more numbers or anything. That Lord You have formed this little body for Your purpose and we are limitless Lord to what we can do through Your power...through Your love, O Lord God. So here we are, Father. Forgive us for thinking small. Take us out of that little place of Ai and bring us to the Mount Zion Lord, where there's deliverance and healing and power in Jesus name, that comes through Your love. Give us love, Lord, not only for You and for one another, but for those, Father, that You're calling out.

And thank You Father, to prepare us for what You have prepared for us.

So, Lord, we call upon You. We thank You for those that reach out. We know that it's inspired by the Holy Spirit. We thank You Lord for the door that's in France. And we pray Father for understanding that we together, Lord, can affect that nation. And see an outpouring of Your Spirit there, Lord God, to bring the remnant out of that.

So Father, we thank You and praise You and to bless Donald Trump and His family and protect them Father for he has many enemies...but in Your faithfulness, O God, You will care.

So, I pray Father, that eyes might be open...even of those men that stood behind him...that we need to call for repentance. May a spirit of repentance be loosed upon this nation, Father. We call upon You for it Lord God...a spirit of repentance, Father, in Jesus name, since that day I stood at 911.

So, Father, hear our prayer we pray...we know You do...and do a work in us Father, heal us...set us free of all the negatives of all the doubts...of all the questions and let us just flow into Your Bosom O God and be all You want us to be. We ask You for that Father, in the name of Jesus. Thank You Jesus. Thank You Jesus.

Praying in tongues

I pray, Father, that everyone in this room be fluid in tongues. Holy Spirit be poured out upon us. Pour out upon everyone in this room, in Jesus name and wash away the doubts and questions, in Jesus name. Everyone be baptized in the Holy Spirit this day, anew and afresh, in Jesus name.

Lord saying, "Let go...let go...let go, says God. Let go! Out of your bellies shall flow."

We want all of us...all of us together...let's lift up our voices. (Continual praying in tongues)

Exhortation through Ricardo Urias

The word the Lord's given me is "humble". This body needs to be, each individual in this body, we're one...we're one body, but we need to all take that step to humble ourselves. How important is humbling yourself to the Lord. HE wants to know that our heart can be humbled. For humbling yourself brings exaltation. God lifts you up to another level. You're closer to Him. You hear Him more.

Scriptures to reference:

2 Chronicles 12:4-7, 11

James 4:5-7 (exaltation – when you humble yourself, you're brought up a notch or two, a level or two)

Mathew 5:20

Luke 18:11-14

So, here's our reward...there's a big reward for losing your pride and humbling yourself to God – in Psalm 91.

Psalm 91:8-16...You will only look with your eyes and see the recompense of the wicked.

For you have made the Lord my refuge, Even the Most High, your dwelling place,
No evil will befall you, nor will any plague come near your tent;
For He will give His angels charge concerning you, to guard you in all your ways.
They will bear you up in their hands, that you do not strike your foot against a stone.
You will tread upon the lion and cobra, the young lion and the serpent you will trample down. "Because he has loved Me, therefore I will deliver him; I will set him securely on high, because he has known My name. He will call upon Me, and I will answer him; I will be with him in trouble; I will rescue him and honor him. With a long life I will satisfy him, and let him see My salvation."

And that is His promise. So, I proclaim this day, Father, that each individual in this room will get down on their knees and humble themselves to You, Father. Amen

Word through Eliah Alvarez during Tongue given thru Micah Bell

Yes, yes as My word says, I will show you things to come.

Let go of your fears.

Let go of your hardness.

Let go of your stubbornness.

And allow Me to be your God in all things...for I will show you the things to come, says the Lord. I will lead you and guide you in this land that you're in that I've placed you in. Yes, this land called Babylon.

Don't look to man. Don't listen to man. Listen to Me and look to Me. Because in this time, I will show you what you're in need of and I will give you all that you need in that time of your need...for I will show you the things to come. And I will be there with you and for you in the times of your need.

But let go of any and all fear. Let go of your hardness and stubbornness. Let go. Seek Me. Look to Me. Follow Me every day by the power of My Spirit. For in My Spirit, I will show you those things to come. And everything that you're in need of you will have at that time. You will have at that time. For I want to be your God in this time and in this land that I've placed you in and the things that are going on.

Don't be dismayed. Don't be troubled. But look to Me and I will supply your need.

Micah: there's a difference between humbling yourself and having to have the Lord to humble you. But God loves us enough that if we won't humble ourselves, He'll find some way to humble us. It's much better if you ask God, "Lord, break me. Essentially, He won't break us. He wants us to ask for that. What does it mean to be a Christian? It basically means to be broken. It basically means that I've gone to the cross...my cross with Him. And I fully identify with Him and His death and His burial, and also His resurrection. It's a type of death to be broken. So, we humble ourselves and say, "God break me." And let Him show me my pride.
