**Micah Bell**

Forgiveness is a lifestyle. Curses that operate and take away the blessings of the Lord. And the blessings are right here (Deuteronomy 28:1-14) that we will be the head and not the tail. That we'll prosper. That we'll be favored. That we'll have increase. All of these things.

The power of the spoken word to break the curses. One of the big ones is for people like us is word curses. Christ has redeemed us from the curse of the law that the blessing of Abraham might come on us.

**Repeat:**

Heavenly Father, in the name of Jesus Christ, My Savior and Lord, Your only begotten Son, raised from the dead, now seated beside You, is My great High Priest, I ask of You in His name, to hear my prayer this day. In His name, I now break and loose myself and my family from the curses of my own sins, the sins of my ancestors or from any other person living or dead.

I declare that I'm redeemed by the blood of the Lamb and I come against every word curse that I've spoken against myself or that others have spoken of me. I come against evil thoughts...the evil eye...any other thing that's come against me to bring me anything but the blessings, in Jesus name.

I renounce and rebuke every course that may be working in my life...in my family's life this day. I command every unclean spirit that's executing these curses to be bound and carried off and driven off. I scatter you according to the work of God...the word of God in seven directions, in Jesus name. Now get out...get out of my body...get out of my mind, out of my thinking...out of my home...out of my spouse...out of my children, in Jesus name.

Get your hands off my possessions...no longer touch my finances...no longer touch my body. Every spirit of infirmity...sickness...disease of the Egyptians which I've been promised I shall not have...you leave me this day, in Jesus name. And I speak the blessings of increase...of health...of deliverance...of healing...of love, in Jesus name.

And I thank You for Your blessings this day, Father. I accept Your love and Your blessings. And I thank You, Lord, as men of old ask of their fathers for the blessing, bless me this day. Bless my family this day. Bless my work this day. Bless the work of my hands. Bless my possessions. Bless, Lord God, my finances that I may serve you with the purpose of bringing Your glory upon the earth.

Lord, Your Kingdom come, Your will be done in earth as it already is being done in heaven, in the name of Jesus. I ask You to make this so for me and everyone else in this room. Thank You Lord, Amen!

**(Micah:** some of you are going to experience healing...going to see some breakthroughs in your life. Now you've learned something to carry on...don't assume it's once and for all. That you're always aware that there's things to be taken care of.)

**Micah:** sharing about what God showed him about "**mothers**". Scripture going over and over...The Jerusalem above is the mother of us all. One of the things the Lord has shown me...that a mother is to teach us where to find comfort. Now listen to me...where to find comfort...not to comfort us. Not to comfort us, but show us where the comfort is (pointing to above). Because the word for Holy Spirit means comforter. So, what we do...we turn to other things for comfort. But the Lord wants us to see where the comfort really is.

Father, have what You want. Don't let our hands touch it. But make us into the holy ark of covenant. That Your presence can dwell here. That Your Kingdom can come on the earth and dwell. And let us be the Ark of God in this place where the presence of God is. That's what He wants.

Now abideth Faith, Hope and Love, but the greatest of these is love. And perfect love casts out fear. Love is stronger than death. All the wonders of that. Agape love. Amen.
